

Main Street Flower Baskets

2026 Donation Form

The Pine Island Area Chamber of Commerce is again pleased to coordinate the purchase of hanging flower baskets to add color and beauty to Main Street. Our thanks to the City of Pine Island as they continue to care for the flower baskets to keep them growing throughout the season.

Please consider making a donation to purchase a basket. The flowers add to the attractiveness of Main Street for many months throughout the summer and fall. Without the support of our Chamber members as well as the community, projects like this would not be possible.

*Please make checks payable to **Pine Island Area Chamber of Commerce** and mail along with the bottom portion of this form to:*
